Dear Mr. Payne:

Your letter dated May 13, 1989 directed to Geological and Mineral Survey has been forwarded to this office.

As per your request for information concerning mining claims, I have enclosed the Utah Mining Rules and Regulations, along with all forms pertaining to such, and also information regarding staking of claims, statutes, digest of mining laws, and other materials that should be helpful to you.

It is required that any proposals for mining related land disturbance go through this office, whether it be exploration or actual mining. When you know which type of mining you intend to do, please fill out the proper forms and forward to this office. You will then be contacted by the lead person in the county(ies) you have designated. If we can be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Lowell P. Braxton

Dear Sirs :

This letter of request may need to be re-directed to "The Dept. of Mines & Mining", or some other office.

I AM seeking information on laws & requirements of the state covering staking a mining claim on federal & other property within your state.

Please send all information on the appropriate steps, rules, & regulations or direct my letter to the proper office.
Thank you,

Sincerely,

Buddy Payne
